RaptorLink: Free Online Recruiting

Is your organization looking for a cost-effective solution to finding some of the best candidates in the Delaware Valley? The Career Center provides employers with a unique recruiting tool through the RaptorLink online recruiting program. Employers can advertise job or internship opportunities for free and reach a vast audience of Rutgers–Camden undergraduate students, graduate students, and alumni.

RaptorLink streamlines the process of reviewing and selecting candidates to interview. This online program also provides the option to schedule on-campus interviews or have students meet with employers directly at their site. To access RaptorLink, visit cc.camden.rutgers.edu.

On-Campus Opportunities for Employers

Rutgers–Camden offers employers many opportunities to increase their visibility and establish a presence on campus, including the following.

- Attending our fall career and spring job and internship fairs
- Advertising in our student newspaper, the *Gleaner*
- Providing employer information sessions
- Co-sponsoring campus and club events
- Speaking with student groups and classes
- Creating corporate partnerships for development, scholarships, and research
- Conducting on-campus interviews

High-Quality Internship Programs

Employers can offer Rutgers–Camden students the opportunity to gain real-world experience through our internship programs. Business, humanities, arts, and sciences students receive academic credit during the fall, spring, or summer while gaining career-building skills and experience.

Internships allow employers to see a Rutgers University–Camden education in action as they gauge interns who could become future employees. Our students learn from accomplished faculty who are widely published, internationally recognized, and consistently awarded highly competitive research grants.

Contact the Career Center to learn more about our internship opportunities.
