Arts and Sciences Internship Program

Students can earn credit for internships through the Career Center's Arts and Sciences Internship Program by working a minimum of 100 hours during the semester or 120 hours during the summer. Over the course of the internship, students also attend classes that cover topics such as professionalism in the workplace and how to succeed at their internship. Contact us to learn more about our internship opportunities.

Please contact the Rutgers—Camden Career Center for more information.
