Arts and Sciences Internship Program

Students can earn up to six credits and start building a resumé through the Arts and Sciences Internship Program. This pre-professional experience offers students the chance to gain meaningful skills related to a field of study or a career interest. All majors within the College of Arts and Sciences and University College are eligible to participate. Students work a minimum of 120 hours during the semester or summer while attending classes such as professionalism in the workplace and how to succeed. Contact the Career Center to learn more about how to earn credits and gain experience through an internship.
