Medical.RossU.edu

Founded in 1978, Ross University School of Medicine offers a MD degree program administered by a faculty whose primary responsibility is teaching. The Basic Sciences curriculum is delivered at our high tech campus in Dominica. This organ systems-based curriculum is designed to enable students to acquire and master basic sciences concepts and prepare to integrate knowledge of these concepts into clinical care. Clinical rotations are completed at affiliated US teaching hospitals. Ross has an alumni network of over 13,000 MD's across the US, Canada and Puerto Rico. 658 former and current Ross graduates attained residencies across 15 disciplines of medicine in 2017. Ross is eligible to participate in the US Federal Direct Loan Program and offers scholarships for students who qualify. The School of Medicine has three class starts a year in September, January and May. Visit for more information.

Rowan University Graduate School of Biomedical Sciences

Glassboro, NJ

www.rowan.edu/som/gsbs

RowanGSBS is a well-established research institution that was previously established in 1997 as the UMDNJ-GSBS at SOM. On July 1, 2013, we became part of Rowan University. Although RowanGSBS is now considered New Jersey's newest public research university, we have been located in Stratford, NJ since 1997 and continue to offer a wide range of programs of study. Our state-of-the-art research facilities are fully equipped to answer the latest, toughest questions in biomedical research and was founded to provide graduate training in the many disciplines of biomedical science. Come explore how we are able to have all the benefits of a large university but also have a small campus feel in historic, Stratford, NJ.

Rowan University School of Osteopathic Medicine

Stratford, NJ

www.rowan.edu/som

New Jersey's only medical school creating Osteopathic doctors! Rowan SOM Medicine provides outstanding opportunities for medical education to NJ students. RowanSOM is ranked #1 of all U.S. osteopathic medical schools in diversity.

Rutgers University School of Law

Camden & Newark, NJ

law.rutgers.edu

JD Law Program located in two locations in NJ: Camden and Newark

Rutgers University - Camden, Criminal Justice

Camden, NJ

www.sociology.camden.rutgers.edu

The M.A. Criminal Justice promotes study for those seeking career opportunities, advancement in justice-related fields, and preparation for doctoral study. The graduate program builds on the multidisciplinary strength of the faculty, who emphasize a comprehensive understanding of crime and the justice system, including contemporary issues affecting it, and the analytic skills required to conduct and to apply research and to assess public policy. Students have the option to take law and public policy related electives.

Rutgers University - Camden, Doctor of Physical Therapy

Stratford, NJ

shp.rutgers.edu/dept/PT/south

The DPT program is a three year graduate program which prepares students for licensure and practice as a physical therapist. The program is fully accredited by the Commission on Accreditation in Physical Therapy Education. The program admits 32 students each year.

Rutgers University - Camden, Graduate School of Arts & Sciences

Camden, NJ

graduateschool.camden.rutgers.edu

With 18 master's degree programs and three doctoral programs in the humanities, social sciences, natural sciences, and fine arts, the Graduate School will challenge and sharpen your critical-thinking skills and prepare you for your career. You'll collaborate with top experts in their fields--some of the world's leading researchers as well as prize-winning scholars, writers, and teachers--on innovative research and the pursuit of new knowledge.

Rutgers University - Camden, Liberal Studies

Camden, NJ

mals.camden.rutgers.edu

The Graduate Program in Liberal Studies is a cross-disciplinary, 30 credit program leading to a M.A. Degree and offering a broad range of courses in literature, history, philosophy, religion, social sciences, and the arts. It is intended to provide students with the kind of intellectual stimulation that comes from working with a highly qualified faculty of expert scholars in a variety of disciplines and with fellow students from diverse backgrounds. Classes meet at convenient times to accommodate returning students who work. If you wish to acquire knowledge beyond the professional specialty in which you are already an expert, Liberal Studies may be just what you are looking for.

Rutgers University - Camden, Master of Business Administration

Camden, NJ

business.camden.rutgers.edu/MBA

The MBA program at the Rutgers School of Business in Camden is designed to provide students with a professional education in business administration. Our program offers students a broad-based curriculum taught by a world-class faculty. In addition, students have an opportunity to develop concentrations in; Entrepreneurship, Finance, International Business/Operations Management, Management, and Marketing. We offer rolling admission for spring, summer, and fall, and evening classes in Camden and Cherry Hill. Based on a specific criteria, scholarships and GMAT exam waivers are currently available. Camden, NJ

math.camden.rutgers.edu

The Graduate Program in mathematics offers Master's degree in Pure Mathematics, Industrial/Applied Mathematics, Mathematical Computer Science and Teaching in Mathematical Sciences.

Rutgers University - Camden, Psychology

Camden, NJ

psychology.camden.rutgers.edu/graduate

The Graduate Program in Psychology at Rutgers-Camden is a 30-credit course of study leading to the Master of Arts degree. The program combines rigorous academic classes with an opportunity for individually supervised research apprenticeships. The program emphasizes scientific research methods that can be used to assist in the solution of real-world problems. Unique features of our program include: 1) funding opportunities for highly qualified students 2) two different tracks: thesis track for students interested in further doctoral study and content track for non-academic research careers 3) weekly lecture series that allow students to engage with research 4) optional teaching experience through our Teaching in Psychology course and 5) evening classes to accommodate students who work during the day. The program focuses on basic and applied research and does not offer training or clinical licensing in psychological assessment, counseling, or therapy.

Rutgers University - Camden, Public Policy & Administration

Camden, NJ

www.dppa.camden.rutgers.edu

Graduate students in the Department of Public Policy and Administration (DPPA) can choose to pursue their MPA in one of six concentrations: Community Development, Education Policy & Leadership, Executive MPA Program, Ph.D Public Affairs-Community Development, Public Management, International Public Service & Development. The DPPA also offers a dual JD/MPA degree with the Law School at Rutgers-Camden, this course of study enables students accepted to both programs to transfer credits from one degree toward the other, reducing the time required for completion. An accelerated BA/MPA option allows exceptional undergraduate majors in Political Science and Economics to fast-track into the MPA and complete both degrees in as little as five years.

Rutgers University - Camden, School of Nursing

Camden, NJ

nursing.camden.rutgers.edu

We build upon advanced nursing practice and provide additional education in evidence-based practice, quality improvement, systems leadership, health economics and health policy. This enhanced knowledge equips the graduate to practice at the highest level of their preparation. The DNP is a clinical doctorate that promotes excellence in practice, health care leadership and clinical scholarship. DNP graduates are prepared to work collaboratively in advancing cutting edge practice.

Rutgers University - Newark, The Graduate School

Newark, NJ

gsn.newark.rutgers.edu

The Graduate School-Newark (GS-N) supervises approximately 1,000 graduate students in 18 masters programs and 14 doctoral (Ph.D.) programs that are run by over 350 graduate faculty members from the life, physical, and social sciences as well as the arts, humanities, administration, and business. The GS-N is a major center for scholarship and intellectual life on our Newark campus and in the greater New Jersey and New York metropolitan area. Within Rutgers, it is a staunch advocate for graduate students and graduate programs that support excellence in graduate training and post-degree success. Thanks to its mix of nationally ranked graduate programs, its location within a dynamic metropolitan city, its proximity to other universities and research centers, and its uniquely diverse student body, the GS-N ensures that its students are making important regional, national, and global contributions.

Rutgers University - New Brunswick, Graduate School of Education

Villanova University, Graduate College of Arts & Sciences

Villanova, PA

www.graartsci.villanova.edu

The College of Liberal Arts and Sciences at Villanova University is an ideal place to pursue your graduate education. Program offerings in the humanities, social sciences, mathematics and sciences include more than 20 master's degrees, more than 40 graduate certificates, and PhD programs in Philosophy and Theology.

Villanova University, School of Business

Villanova, PA

villanova.edu

In today's ever-changing and highly-focused business landscape, a specialized MS degree can help steer you through the clutter. While the traditional MBA curriculum can provide a comprehensive general management and strategic viewpoint, it often lacks in-depth and technical training in functional areas such as Accounting and Finance. A specialized and intensive one-year structure allows for a quick transition into the workforce for recent college graduates, and a streamlined approach for those students looking to make a mid-level career change.

Weill Cornell Graduate School of Medical Sciences

New York, NY

gradschool.weill.cornell.edu

The goals of our Biomedical Science Research PhD Program are to train the next generation of scientific leaders in biomedical research by: positioning our students to make innovative scientific discoveries; showing them how to work in laboratory, local and global communities of scholars, with science as a bridge across national, cultural, political, religious and ethnic identifications; matching them with skillful mentors who guide them to independence and support them thereafter.

Widener University

Chester, PA

Widener.edu

Our programs are designed so you can put your work into action right away with practical courses and assignments that are relevant to your interests. When you come to Widener, your personal and professional goals are joined with your educational goals. Classes are held at times that accommodate your work schedule. The campus is a beautiful, safe environment that is easily accessible from both I-95 and Route 476 with convenient parking available. Research facilities are first class and offer extended hours for your convenience.

William Patterson University

Wayne, NJ

wpunj.edu

William Paterson University offers a wide range of outstanding graduate programs in five colleges. Graduate program offerings include master's degree programs, as well as numerous programs leading to endorsement for teacher certification and other professional licensing qualifications. The University offers two doctoral programs: the doctor of nursing practice (DNP) and the doctor of psychology in clinical psychology (PsyD).
