NJ DIVISION OF VOCATIONAL REHABILITATION SERVICES

<http://jobs4jersey.com/jobs4jersey/jobseekers/disable/index.html>

609-292-5987

The Division of Vocational Rehabilitation Services (DVRS), within the Department of Labor and Workforce Development, provides services to individuals of employable age with disabilities through 18 district offices. Eligibility generally is based on the presence of a mental or physical disability that is an obstacle to employment, and a reasonable expectation that the division's services will help the individual become employable.

Vocational rehabilitation counselors work with individuals and their families to develop and carry out a plan for training and placement. If financial need is established, the division will purchase other rehabilitative services from private providers, such as further evaluation or counseling, training at a vocational center or technical school and on-the-job training.
