## **THE VIRTUAL JOB INTERVIEW**

This on-line interactive video is a simulation of a conversation between a job candidate and an interviewer. The user is asked a typical interview question by an interviewer in a video clip and is given a choice of responses. A wide range of questions and answers is explored until ultimately the user is either hired or put on file. To use The Virtual Job Interview, go to the Career Center webpage <http://cc.camden.rutgers.edu>. Click on "Students".

## **VIDEO VIGNETTES**

Also available on the Career Center webpage for Students are video vignettes. Have fun watching these entertaining but informative short videos on "Asking Questions at The Job Interview", "Dining Etiquette" and "Phone Interviews".

## **ADDITIONAL CAREER CENTER SERVICES**

For additional assistance students are welcome to make an appointment with a Career Counselor to discuss interviewing strategies or to do a video taped "MOCK" interview.
