ACME MARKETS - 1) Summer Management Internship Program - Acme chooses a select group of college sophomores, juniors and seniors each year, to participate in a retail management internship. This paid internship is a twelve-week program that gives you a hands-on opportunity to experience every facet of operating a first class retail operation. Your experience will develop the leadership skills and knowledge you need to advance in retail. First Year Interns work in the fast paced world of retail under the tutelage of a premiere Store Director and explore the world of Operations Management. Scholarships are available to students who successfully complete the program and are invited to return. Second Year Interns will focus on the business side of retailing, with the opportunity to: understand the functions and responsibilities of the marketing and merchandising department; develop a project with the store and marketing team; and present your final project to the executive team at the conclusion of the internship. Successful interns have the opportunity to be invited to return the following summer for another internship experience or upon graduation, as a management trainee. 2) Store Management positions - Our management team is the heart of our retail operation. At store level, the management team runs the day to day operation of the supermarket. They drive sales and generate revenue by executing the sales plan. They also motivate and mentor store associates as well as partnering with local communities to better understand the neighborhood customer. All majors. www.acmemarkets.com

ADVOSERV provides nationally recognized services for individuals with behavior disorders. We serve adults with a range of developmental disabilities and mental health issues. These individuals have behavioral challenges such as aggression, conduct disorders, property destruction, and self-injury. Most require extensive training to overcome years of limited opportunities to learn and grow. We offer a comprehensive array of services designed to effectively treat these problems and teach these skills in order to return individuals to their communities and families. Our programs demonstrate significant success in behavioral, educational and adaptive domains for individuals who often have not benefited from previous attempts at programming. To achieve these successes, we depend upon motivated staff who wish to learn and work in the field of behavioral and developmental disabilities. Full, part & flex-time direct service, supervisory and senior professional positions available for all levels of degrees and experience. Day, evening and night work schedules available. AdvoServ will train you to become specialists in serving individuals with developmental disabilities, severe emotional disturbances and behavioral challenges. Each position offers opportunities to advance professionally and highly competitive salaries/benefits. All social service and human service majors. www.AdvoServ.com

ROSTER FINANCIAL LLC is a wealth management marketing organization providing support nationwide for financial service professionals as we embark on the largest wealth transference in American history. We help market and distribute fixed insurance Annuity, Life, and Long Term Care products for Independent Agents and Registered Representatives, as well as supply tools and resources to facilitate business growth. Roster represents over 20 leading insurance companies including Allianz, our parent company, who is considered one of the "Most Admired Companies in the Industry" by FORTUNE® magazine. Providing information on the Roster Financial Internship Program, which provides an opportunity for college students to map out career paths by assessing, reporting, and implementing a process that will enhance professional experience, skills and knowledge. Roster will guide students to fulfill their career goals through academic, professional and leadership coaching. Through partnerships with educational institutions Roster strives to recruit, hire, develop, and retain the best talent. This internship program will expose students to the training, mentoring, and networking opportunities they will need to facilitate the transition from school to full-time employment. Training will consist of a mixture of orientation, on-the-job training, and classroom training. Interns are required to work with their supervisor to produce and track an Individual Development Plan that will serve as a guide for the internship. The IDP has the dual role of reflecting the interests and skills of the intern as well as meeting the needs and goals of Roster. To meet these ends IDP's will consist of on-going training, participation in relevant conferences and seminars, and formal classroom and/or web-based sessions. We are searching for earnest, committed students excited about the tremendous opportunity within the financial services industry, and who are prepared to take the next step in their own professional growth with Roster Financial. www.rosterfinancial.com

TUCKER COMPANY is a family-owned freight management and 3d-party logistics firm (“3PL”) with 30 employees. Founded in 1961 by the current owners’ grandfather, Tucker is America’s oldest privately held freight brokerage. Its venerable age and reputation notwithstanding, Tucker Company continues to define itself, and be recognized, as a dynamic growth enterprise with vision, energy and ambition. Common to all manufacturers, suppliers and other shippers is the need to achieve the highest possible quality management over inbound and outbound freight flows; the ideal system maximizes the quality of freight transportation and minimizes total system cost. One of Tucker Company’s greatest strengths is our decades of experience helping customers source and manage transportation providers who bring quality, cost-effectiveness, and the flexibility to tailor their services to fit customer-specific requirements. Tucker provides freight brokerage, dedicated logistics services, government freight services, on-site and remote project management, freight consolidation, and consultation on a variety of subjects of interest to freight shippers, receivers, consignees and carriers. Inquire about Tucker’s internship program. Tucker seeks highly motivated interns willing and able to take initiative and work independently. Interns will be supervised by the company’s General Counsel and have the opportunity to participate in a variety of interesting projects within the following departments: Risk Management, Sales, Customer Service/Dispatch, Information Technology (IT) and Administration/Management. Successful interns will have a strong interest in business administration and sales, and will have excellent oral and written communication skills. Computer literacy is a must. Comfort with complex data management systems is preferred but not required. Tucker Company interns will receive training and valuable experience in nearly every aspect of the company’s business and will have substantial opportunities to make meaningful contributions to the company’s operations, administration and growth. Internships. Management, Marketing, IT & Comp Sci majors. www.tuckerco.com
