childhood.camden.rutgers.edu

The Department of Childhood Studies at Rutgers University--Camden offers MA and PhD degrees in Childhood Studies. Childhood Studies is a multi-disciplinary field of study that prepares students for work in education, policy, academia, non-profits, and public health, among many other arenas. The only PhD in Childhood Studies may be found at Rutgers U--Camden.

Rutgers University - Camden, Criminal Justice

Camden, NJ

www.sociology.camden.rutgers.edu

The M.A. Criminal Justice promotes study for those seeking career opportunities, advancement in justice-related fields, and preparation for doctoral study. The graduate program builds on the multidisciplinary strength of the faculty, who emphasize a comprehensive understanding of crime and the justice system, including contemporary issues affecting it, and the analytic skills required to conduct and to apply research and to assess public policy. Students have the option to take law and public policy related electives.

Rutgers University - Camden, Computational & Integrative Biology

Camden, NJ

ccib.camden.rutgers.edu/graduate-program

The Rutgers Center for Computational and Integrative Biology (CCIB) is an exciting new initiative for the Camden Campus. The CCIB was established to reflect the cross-departmental approach to biological research already established among Rutgers-Camden faculty. The Center brings together leading research academics from the departments of Biology, Mathematics, Computer Science, Chemistry, and Physics. Students in the Graduate Program in Computational & Integrative Biology are integrated into the life and activities of the Center and are viewed as an essential element of its success. The work of the CCIB emphasizes the interplay between the development of mathematical models and experimental research of biological systems.

Rutgers University - Camden, Computer Science

Camden, NJ

cs.camden.rutgers.edu

The Rutgers Master's Degree in Scientific Computing is designed to prepare students with rigorous computational training for careers in science, engineering, and finance. The program provides a strong foundation in algorithms and programming relevant to current and emerging computational applications. The Master's of Business & Science degree is a combination of an MS and a MBA degree. Students in this program choose a particular science concentration, accompanied by a business curriculum.

Rutgers University - Camden, Dept. of Public Policy & Administration

Camden, NJ

www.dppa.camden.rutgers.edu

Graduate students in the Department of Public Policy and Administration (DPPA) can choose to pursue their MPA in one of six concentrations: Community Development, Education Policy & Leadership, Executive MPA Program, Ph.D Public Affairs-Community Development, Public Management, International Public Service & Development. The DPPA also offers a dual JD/MPA degree with the Law School at Rutgers-Camden, this course of study enables students accepted to both programs to transfer credits from one degree toward the other, reducing the time required for completion. An accelerated BA/MPA option allows exceptional undergraduate majors in Political Science and Economics to fast-track into the MPA and complete both degrees in as little as five years.

Rutgers University - Camden, Doctor of Physical Therapy

Stratford, NJ

shp.rutgers.edu/dept/PT/south

The DPT program is a three year graduate program which prepares students for licensure and practice as a physical therapist. The program is fully accredited by the Commission on Accreditation in Physical Therapy Education. The program admits 32 students each year.

Rutgers University - Camden, Fine Arts

Camden, NJ

mfa.camden.rutgers.edu

The Rutgers-Camden MFA is a 39-credit program in the theory and practice of writing. We believe all writers have something to say to one another: while students may concentrate in any genre, they are encouraged to enroll in workshops and craft classes in disciplines other than their own.

Rutgers University - Camden, Graduate School

Camden, NJ

graduateschool.camden.rutgers.edu

The Graduate School at Rutgers University-Camden offers masters and doctoral degrees programs in humanities, natural sciences, social sciences, and fine arts on our vibrant urban campus that offers the world-class Rutgers experience in a personalized environment. Among our faculty, we include some of the nation's leading researchers as well as prize-winning scholars, writers, and teachers. You will get all the resources of one of America's most prestigious public research universities with all the benefits of a supportive small-college experience.

Rutgers University - Camden, History

Camden, NJ

history.camden.rutgers.edu

The History graduate program leads to the Master of Arts degree and features course offerings in four tracks: American history, Public History, Global History, and Legal History. The program is designed for students who wish to build their historical understanding either to augment skills in teaching or in public history institutions or to secure such positions. It will also prepare graduates for doctoral-level studies in American history and welcomes individuals fascinated by the past who wish to deepen their appreciation of its many aspects.

Rutgers University - Camden, Liberal Studies

Camden, NJ

mals.camden.rutgers.edu

The Graduate Program in Liberal Studies is a cross-disciplinary, 30 credit program leading to a M.A. Degree and offering a broad range of courses in literature, history, philosophy, religion, social sciences, and the arts. It is intended to provide students with the kind of intellectual stimulation that comes from working with a highly qualified faculty of expert scholars in a variety of disciplines and with fellow students from diverse backgrounds. Classes meet at convenient times to accommodate returning students who work. If you wish to acquire knowledge beyond the professional specialty in which you are already an expert, Liberal Studies may be just what you are looking for.

Rutgers University - Camden, Master of Business Administration

Camden, NJ

business.camden.rutgers.edu/MBA

The MBA program at the Rutgers School of Business in Camden is designed to provide students with a professional education in business administration. Our program offers students a broad-based curriculum taught by a world-class faculty. In addition, students have an opportunity to develop concentrations in; Entrepreneurship, Finance, International Business/Operations Management, Management, and Marketing. We offer rolling admission for spring, summer, and fall, and evening classes in Camden and Cherry Hill. Based on a specific criteria, scholarships and GMAT exam waivers are currently available. To learn more about the program and application process, visit one of our monthly MBA Information's Sessions.

Rutgers University - Camden, Psychology

Camden, NJ

psychology.camden.rutgers.edu/graduate

The Graduate Program in Psychology at Rutgers-Camden is a 30-credit course of study leading to the Master of Arts degree. The program combines rigorous academic classes with an opportunity for individually supervised research apprenticeships. The program emphasizes scientific research methods that can be used to assist in the solution of real-world problems. Unique features of our program include: 1) funding opportunities for highly qualified students 2) two different tracks: thesis track for students interested in further doctoral study and content track for non-academic research careers 3) weekly lecture series that allow students to engage with research 4) optional teaching experience through our Teaching in Psychology course and 5) evening classes to accommodate students who work during the day. The program focuses on basic and applied research and does not offer training or clinical licensing in psychological assessment, counseling, or therapy.

Rutgers University - Camden, School of Business PMBA & PMAc

Camden, NJ

business.camden.rutgers.edu

The Professional Programs at the Rutgers School of Business in Camden offer accelerated graduate solutions, designed for working professionals, with classes conveniently held on Saturdays. The Professional MBA (PMBA) is an exceptional 21-month program that blends theory and practice, with a curriculum to prepare students to understand the complexity of today's ever-changing global markets. The Professional Masters in Accounting (PMAc) is a 16-month program that conveys analytical tools and the latest business techniques, and meets the 120-hour CPA licensure requirement. Both programs offer a broad-based curriculum taught by distinguished Rutgers faculty in a cohort setting, beginning each fall at our Camden campus and Princeton location. Candidates with progressive professional experience may qualify for a GMAT exam waiver. To learn more about the programs and application process, visit one of our monthly PMBA/PMAc Information Sessions.
