Clinical Opportunities

The Rutgers School of Nursing–Camden provides all students with hands-on experiences in both traditional and nontraditional clinical settings as part of the curriculum. Opportunities are available with more than 125 clinical partners across the Delaware Valley in a variety of settings, including state, county, and city health departments; public school districts; hospital systems; and rehabilitative centers. Students work directly with the School of Nursing on placement opportunities. The Career Center can help nursing students with a variety of services, including career counseling and graduate school advising.
